

`newErrorWithAppendMessage`

```
graph LR; A["newErrorWithAppendMessage"] --> B["newErrorMessage"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text `newErrorWithAppendMessage`. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text `newErrorMessage`.

`newErrorMessage`
