

`newError`

```
graph LR; A[newError] --> B[newErrorWithAppendMessage]
```

A diagram showing a relationship between two entities. On the left is a gray rectangular box containing the text `newError`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `newErrorWithAppendMessage`. Both boxes have a black border.

`newErrorWithAppendMessage`
