

toString

```
graph LR; A[toString] --> B["com.toast.android.gamebase.base.ValueObject.toJsonString"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'toString'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains two lines of text: 'com.toast.android.gamebase.base.' on the top line and 'ValueObject.toJsonString' on the bottom line.

com.toast.android.gamebase.base.
ValueObject.toJsonString
